**Welcome to the Team!**- Teacher: Ms. September, Kindergarten - 1st grade students meet in the gym on W (3:45pm - 5:30pm) to make friends, learn about what we do in after-school programs, and sample the different kinds of activities that Kaiser Neighborhood Center has to offer.

**You Tattoo** - Teacher: Ms. September, 3rd-5th grade students meet in the Art room R (3:45pm - 5:30pm) to create temporary tattoos and learn about the meaningfulness of tattoos in different cultures around the world.

**Imaginarium**— Teacher: Ms. September, Kindergarten— 5th grade students meet in the Art room F (3:45pm - 5:30pm) to conquer the confinement of thinking in the box. They will invent products and devices that will help make the world a better -or even more exciting place!

## What's the difference between Neighborhood Center and Discovery Link?

- Discovery Link is a licensed program
- Neighborhood Center programs are non-licensed programs
- Neighborhood Center programs vary by age group and change every six weeks
- Discovery Link is afterschool care Monday - Friday throughout the school year
- Discovery Link participants hold a spot in the program throughout the year with regular attendance
- Neighborhood Center participants hold a spot in the program for six weeks and must re-register prior to the next session
- Discovery Link hours are 3:45pm - 6:00pm
- Neighborhood Center hours are 3:45pm - 5:30pm
